Message from our team

At Pete Oil and Haulage Services Limited, our journey has been defined by one clear purpose, to deliver world-class services that empower our clients, strengthen industries, and contribute to Nigeria's sustainable growth.

From humble beginnings, we have built a reputation for efficiency, reliability, and unwavering commitment to quality. Today, we are proud to stand as a trusted partner to clients in the Oil & Gas, Engineering, and Logistics sectors, offering solutions that meet global standards while remaining locally grounded.

Our success rests on three pillars: our people, our partnerships, and

our principles. We invest in a highly skilled workforce, embrace innovation and modern technology, and uphold safety, integrity, and excellence in everything we do.

As we look to the future, we remain committed to expanding our capabilities, strengthening stakeholder trust, and leading with resilience in a rapidly changing industry landscape.

On behalf of the entire Pete Oil and Haulage team, We extend our gratitude to our clients, partners, and employees for your trust and continued support. Together, we will keep driving progress , safely, sustainably, and successfully.

**Management
and Staff.**

Company Overview

Pete Oil and Haulage Services Limited is an indigenous Nigerian company delivering high-quality support services in the Oil & Gas, Engineering, and Logistics sectors. Headquartered in Warri, Delta State, we are strategically positioned to serve clients across Nigeria with tailored solutions grounded in industry best practices.

Our strength lies in our team of experienced professionals, our fleet of equipment, and our unwavering commitment to **safety, compliance, and customer satisfaction**. We combine modern technology, industry expertise, and operational excellence to provide services that consistently meet and exceed client expectations.

Mission Statement

To execute every project in full alignment with industry standards and client expectations in a **cost-effective** and **timely** manner.

Vision Statement

To be the leading and most trusted provider of services to both the upstream and downstream sectors of the Nigerian Oil & Gas industry and beyond.

Our Services

Pete Oil and Haulage Services Limited offers a diverse portfolio of specialized services tailored to the needs of multiple industries.

Haulage & Logistics Services

We provide safe, reliable, and cost-effective transportation and logistics solutions for clients in oil & gas, mining, construction, and agriculture.

features:

- ✓ Heavy-duty haulage with a well-maintained fleet
- ✓ Warehousing and distribution
- ✓ Last-mile delivery and logistics planning
- ✓ Route optimization using modern tracking systems
- ✓ Supply chain management with real-time visibility

General Engineering Services

We provide multidisciplinary engineering and construction services to public and private sector clients, including IOCs and government bodies.

Scope:

- ✔ Mechanical and civil construction
- ✔ Electrical system installation and maintenance
- ✔ Pipeline installation and facility upgrades
- ✔ Fabrication and erection of structural components

Inspection Services (Non-Destructive Testing – NDT)

We offer comprehensive NDT inspection services to ensure material integrity and detect flaws without compromising structural performance.

Techniques:

- ✔ Radiographic Testing (RT)
- ✔ Ultrasonic Testing (UT)
- ✔ Magnetic Particle Testing (MPI)
- ✔ Dye Penetrant Testing (DPI)
- ✔ Phase Array Ultrasonic Testing (PAUT)
- ✔ Automated Ultrasonic Testing (AUT)

Quality Assurance & Quality Control (QA/QC)

Our QA/QC division ensures that every deliverable adheres to ISO 9001:2015 standards and specific client specifications.

Capabilities:

- ✓ Inspection and test plans (ITPs)
- ✓ Welding inspections and procedure qualifications
- ✓ Vendor audits and third-party inspections
- ✓ Project documentation and reporting

Project Management Services

We manage projects from concept to completion using globally recognized frameworks, delivering within scope, schedule, and budget.

Services:

- ✓ Planning and scheduling
- ✓ Budget control and risk assessment
- ✓ Team coordination and vendor management
- ✓ Progress reporting and stakeholder engagement

Welding & Fabrication

We provide industrial and custom welding and fabrication services that meet international codes and standards.

offerings:

- ✔ Fabrication of steel structures and pipelines
- ✔ Mobile welding units for field operations
- ✔ Welding of pressure vessels and tanks
- ✔ Structural modifications and reinforcements

Manpower Support Services

We supply skilled, semi-skilled, and professional manpower to support operations across multiple project sites.

Roles we supply:

- ✓ Engineers and technicians
- ✓ Welders, riggers, and fitters
- ✓ HSE officers and QA/QC inspectors
- ✓ Drivers, administrative personnel, and project supervisors

Consultation Services

Our experienced consultants provide strategic and technical insights to help clients optimize operations and manage project risks.

Areas of focus:

- ✓ Feasibility studies and planning
- ✓ Regulatory compliance and environmental audits
- ✓ Operational troubleshooting and assessments
- ✓ Process and safety optimization strategies

Sourcing & Procurement Services

We offer **comprehensive sourcing and procurement** support to clients in need of reliable, high-quality, and cost-effective materials and equipment.

Core Offerings:

- ✓ Sourcing of tools, lubricants, machinery, and construction materials
- ✓ OEM and vendor certification and evaluation
- ✓ Local and international procurement coordination
- ✓ Logistics and customs documentation management

Our Team

At Pete Oil and Haulage, our team is our greatest asset. We employ experienced professionals who reflect our values, **integrity, commitment, and performance**. Staff are continuously trained, certified, and empowered to work efficiently, ensuring consistent delivery of world-class services.

Our Partners

We work with a network of trusted partners to deliver efficient and value-driven services. Some of our major collaborators include:

Quality Policy Statement

Pete Oil and Haulage Services Limited is committed to **delivering high-quality services** through a robust **Quality Management System (QMS)** certified to **NIS ISO 9001:2015**.

We ensure:

- ✓ Full compliance with client, statutory, and regulatory requirements
- ✓ Continuous improvement of service delivery
- ✓ Periodic review and update of quality objectives and processes
- ✓ Staff awareness and training on quality systems

HSE Policy Statement

Our HSE policy aims to prevent workplace incidents, protect the environment, and promote the well-being of our personnel and stakeholders.

We ensure:

- ✓ Safe and healthy working conditions for all employees
- ✓ Prevention of occupational hazards and illnesses
- ✓ Compliance with OH&S and environmental regulations
- ✓ Elimination of risks and promotion of environmental sustainability
- ✓ Staff training, participation, and reporting on HSE issues

We actively promote a culture of safety, leadership, and accountability across all levels of operation.

Why Choose Pete Oil and Haulage Services

We work with a network of trusted partners to deliver efficient and value-driven services. Some of our major collaborators include:

- Proven record in delivering complex logistics and engineering solutions.
- Strong industry partnerships and certifications.
- Dedicated team with technical competence and field experience.
- Flexible and client-focused approach.
- Unwavering commitment to quality, safety, and sustainability.

Efficient. *Reliable.*
***Committed to* Quality.**
